

## EPOCH 360 DDR-36

DAB+ / FM-RDS / Bluetooth / Aux-in  
Tabletop Digital Tuning Receiver

The Epoch 360 is a top of the line DAB+ radio. With great sensitivity and reception it is possible to listen effortlessly to your favorite radio stations. Furthermore, if DAB+ is not yet in the air in your region, this is a worthwhile effort to invest in. FM is still available, so you can change when you are ready for it. With 10 presets per input (DAB+/FM), you do not need to search long for your treasured radio stations. The Epoch 360 is easy to install, the process is self-explanatory. Just follow the steps on the radio and you will be able to listen to music in a minute!

The Epoch 360 has Bluetooth for wireless audio streaming and an LCD display that makes the menu easy to read and easy to manage. Adjust the sound to your own preferences with normal, jazz, rock, classic, pop and speech sound effects.
