

REVERY R5 WFR-70

Internet Radio / DAB+ / FM-RDS / USB
Network Music Player Digital Receiver

The Revery R5 is an acoustic all-rounder. It offers numerous playback possibilities, such as radio via DAB + or Internet, Spotify player, mp3 player and Multiroom capabilities, but also convinces with rich stereo sound and a modern look. An AUX-IN is available for all other playback sources, so you can connect almost any device!

The Revery R5 can communicate with other devices on your network, such as a local computer or other UPnP / -DLNA-enabled devices. This way, you are able to play back media content from your home network on your radio. In addition, the device is compatible with Spotify Connect. You can use the app to enjoy the content of the Spotify music streaming service on your radio and also control the playback via the UNDOK app, which can act as a remote control.
