

## U4 DBT+

**DAB+ / FM-RDS / Bluetooth / AUX / USB Playback  
Ultra Rugged Digital Tuning Radio**

Color

Black

The U4 DBT+ is an FM/DAB radio designed to withstand all job site conditions with IP65 water and dust resistance. Built with a protective roll cage, this radio is shock resistant and ready for any job site. Its Bluetooth feature allows you to stream your favorite music or programs through the NFC tap-and-connect function. You can also plug and play with a USB stick! The U4 DBT+ also features a smart battery charger that ensures optimal charging of each individual battery.

Other great added features like station auto scanning, easy-to-read LCD display with backlight, sleep timer, 2 alarms, and snooze will also impress you beyond expectation.
