

GENUINE 150 WR-15BT

FM / AM / Bluetooth
Wooden Cabinet Receiver

The Genuine 150 is a great retro radio! AM and FM reception is excellent; providing crystal clear listening. Use the rotary dials to adjust the volume, select AM/FM bands, and precisely tune your station. An LED tuning eye assures you're achieving the best reception for your selected station. In addition, a stereo headphone jack and the option for an external AM and FM antenna is also provided. The 3.5 millimeter auxiliary input allows you to connect your favorite devices such as an iPod or other portable media players so you can even enjoy your digital music library on the Genuine 150.
