- Selectable Sleep Timer
- Battery Charging and Bluetooth Pairing LED Indicators
- Acoustically Tuned Wooden Cabinet with Passive Speaker
- AUX-In for Additional Audio Sources like MP3 Player or Mobile Devices
- External FM Wire Antenna and Micro USB Charging Cable Included

The DDR-7 is the most charming radio you've ever seen – in DAB+ version! Certainly do not underestimate its powers! This DAB+/FM receiver with classic look has a speaker that will surprise you, complemented by the acoustically tuned wooden cabinet. Listen to your favorite radio stations in this small version of your conventional table top radio.

Despite its classic look, the DDR-7 has very modern features. You can listen to your own music via an AUX input and connect any compatible device via Bluetooth for wireless audio streaming.
